ans do not desire admission into the Union
with said constitution under the condione in its favor at the formation of the with said constitution under the condi-bresent general government, not by di-tions set forth is said proposition; and in rect expression in the constitution but by construction and inference. It carried its point then; it has since made Slave States States States overnment, by the name of the That the perit of an which says:

That the constitution but by that event the people of said Territory should remember, that the party to which applied to which says:

That the constitution of a territory though out of free territory belonging to the Uni- State of Hansas, according to the federal ted States; it has annexed foreign slave territory; it has converted free territory. That purpose WHENEVER AND NOT BEFORE, it is ascertained, by a census. obtained by conquest, into slave territory; duly and legally taken, that the popula it has repealed an act of Congress prohibthe ratio of Representation required for a member of the House of Representatives of the Congress of the United States.

Either of which propositions deny the member of the House of Representatives of the Congress of the United States.

Forum Sovenness Sov There it is in plain English. There is remain out of the Union unless they consent to slavery; it has made the Supreme Court to decide that alavery exists constitutionally in all the territories of the Uni. responsibility because the load bears stitution alone;" and also remember, that ed States; and, that conrequently there donstitution, any free territory. Here is a series of victories, growing a ore pregnant and decisive as you approach the Union until the next regular countries. the Union until the next 'regular census' ermination of the list. But the end is insists on having a constitution of her present leaders of the Domocratic party, it insists the ultimation which current events seem to be hastening with not yet. The Africanization of the Unrailroad speed. Each of the measures we have named was, in its inception resisted,

leading democratic paper at the South, sings of SLAVERY. strongly, and with confidence of success. It was said of each new move that it was too absurd to be thought of, and could not possibly find favor with the American people. But the slave power insisted with greater pertinacity and more daring assumptions, that the rights of the South south in the conference act.

**South in terms as follows:

The postponement of the admission of Kansas into the Union until she obtains the population which a member of Congressibly find favor with the American people. But the slave power insisted with greater pertinacity and more daring assumptions, that the rights of the South in the conference act.

**South in terms as follows:

The postponement of the admission of Kansas into the Union until she obtains the perty to which they belong, while professing National principles, always selects for President, some doughface slave to the South selects for President, some doughface slave to the South is the trents as follows:

Monest Bemocrafs

**Should remember, that the party to which they belong, while professing National principles, always selects for President, some doughface slave to the South is the specific principles, always selects for President, some doughface slave to the South is the trents as follows:

Monest Bemocrafs

**Should remember, that the party to which they belong, while professing National principles, always selects for President, some doughface slave to the South is the conference of the South selects for President, some doughface slave to the South is the conference of the South selects for President, some doughface slave to the South is the conference of the South selects for President, some doughface slave to the South selects for President, some doughface slave to the South selects for President, some doughface slave to the South selects for President, some doughface slave to the South selects for President, some doughface slave to the South selects for President, some doughface slave to the South selects for President, some doughface slave to the So states the bargain in terms as follows: as was thought at the time, earnestly. ence act.

Record.

would be trampled upon by a denial of their demands; and when the discussion But Hall is pledged to this bill not only should remember, that the leaders of the became protracted and wearisome, the attention of the political leaders was drawn attention of the political leaders was drawn ACT, but by the platform of his own parameters and that their conduct has fully demonstrated and the political leaders was drawn and are now laboring to appear and that their conduct has fully demonstrated. o some more audacious proposition, and ty to which he has subscribed and which strated and proved each and every charge thus a cheap and easy victory was won. he dare not reputdiate. Here are the response of the alare not reputdiate. Here are the response of the alare not reputdiate. Here are the response of the alare nower, and to the after the conquest of a portion of Mexico State Convention at Columbus. Hall has bread of African slavery and to the and inviting slavery into Utah and New not discounted them and they show just spread of African slavery. Mexico, the Missouri Compromise was where he stands: epealed, and Kansas and Nebraska made

slave territory under the disguise of Popular Sovereignty. Scarcely was the ink dry which penned down an organic act for Kansas and Nebraska giving the peo- conditional admission of Kansas into the spending \$18,000,000 of surplas, spent ple of each territory the right to page 1 ple of each territory the right to permit

or exclude slavery, when a forcible conflict ensued as to whether Kansas should late the Union until the population there-year, at the very lowest calculation, the se a free or a slave State. The Slave of shall equal the ratio for a Representationormous expenditure of \$90 000,000f Power, having the control of the general tive in Congress.

Thus we have shown by the English for the next year .- Susrnsey Times. government, used its power and patronage to doom Kansas to slavery, and tram- Bill itself, by the acknowledgments of the War Nor?-"The Ohio platform is reoled under foot the doctrine of Popular South and by his own party platform, that o ived with unbounded satisfaction at the Sovereignty by refusing to let the people Hall stands squarely upon the doctrine of South."—Statesman on Platforms. determine in their own way, seconding to the will of the majority, whether they would or would not tolerate slavery.—

that a free state must have three or four breed, niggers and whites, are enough to that a free state must have three or four breed, niggers and whites, are enough to the slave Democracy, that 35,000 mixed that a free state must have three or four breed, niggers and whites, are enough to the slave Democracy. And thus, by virtue of force, slavery has times that number. If Kansas applies, make a Slave State, but that it will to-day a legal existance in Kansas; and next winter, with the Leavenworth or any quired 93,000 white p-ople to make a Free the great main point is gained. This other regularly formed and ratified continuous and Disunionista received foreshadows another worse issue, which in substance is a slave code to be enacted by her admission, just as he voted to force Platform of 1858, of the Doughface Slave slavery on her last winter. Congress for the security, and protection

of alave property in all the territories in COMPLIMENTARY. - The Washington which it already has, according to the Union compliments the Douglas men af-Supreme Court, a constitutional existence ter this fashion: "The action of the Ohio Demogracy of-

subjugation of every free State in the course of Judge Douglas and his MAD-Union to alike pains, and finally estab- DENED FOLLOWERS." Union to slike pains, and finally establish, what is now only in its incipient stage, a great slaveholding confederacy.

clear of the pains and panalties of the subtreasury law . - Cleve. Herald.

How it is "Settled."

Thus to the dullest comprehension, the Kannas question having reached its final to party? Auy? We know of nome of

the slighest import whatever.

Detrait Free Press.

Settled very much as the landlady's coffee was by hur Hebernian "help," Who protection of despotic rule he may call the roll of his slaves at the State Capital. Endorse the course of such men as Hall, and sooner or later the freemen of Ohio will have their tongues fast in the loop of the States. In the Charleston (Democratic) Oleveland Herald.

hug slavery to their besoms as a divine tion. It will require 85 Northern votes, under contract to James Buchanan and Merchant, No. 311 & 313 Water threet, directly opposite the Cin. & Dayton S R Depot, Standards, Oldie. Raw sander and Sugars, Malasses, Strong, Rice, Standards, Stan Union, se s free states in the states
